no one is tall to heaven  
no one is large to the land  
(In response to David Novros)

By **Jacob Bromberg**

David Novros, Untitled, 1966–67. Acrylic lacquer on dacron, in six panels, 102 x 162 inches. © David Novros / ADAGP 2022 / Courtesy Gallery Max Hetzler Berlin | Paris | London. Photo: Nicolas Brasseur.

the sky does not go missing  
when it grows into your eyes  
light makes a home

ready for history  
you'd've found it all  
otherwise

so much indistinct air  
to build on in through  
breath

*David Novros* is on view at Galerie Max Hetzler, Paris, through February 26, 2022.
